Specific duties include, but are not limited to:

- Develop and implement SPPS's overall marketing and communication strategy, including web development, comprehensive social media marketing plan, digital marketing and development of strategic print and digital collateral.
- Develop short and long-term plans and budgets for marketing and communications programs, monitor progress and evaluate performance.
- Coordinate public relations and institutional communication functions including but not limited to activities, events, fundraising priorities and projects of the school to internal and external stakeholders.
- Sensitively manage the quality control of internal messaging, communication and information distribution to ensure effective communication and consistency in branding, and to promote a culture of pride and inclusivity among all members of the SPPS community.
- Develop and manage the departmental budget, allocating resources effectively to achieve strategic objectives and maximize return on investment.

Successful candidate must be able to collaborate with and support multiple members of a diverse school and university community, participating wherever necessary to ensure smooth and efficient operations, as well as continuously analyzing workflow and identifying areas for improvement. They must be able to multitask across several projects, ensure consistent follow-up and follow-through and have excellent communication skills. They should also be proficient in marketing research, SEO strategy and statistical analysis.
