- experiential learning opportunities (beyond internships) for underclassmen.
- Work in partnership with the undergraduate team to deliver the mandatory second-year Career Connections I course, including co-designing and co-teaching.
- Develop and implement career advisement and outreach for undergraduate students, including counseling appointments, educational career workshops, and other resources as needed.
- Forge solid connections with stakeholders (employers, students, faculty, and alumni) to serve our community.
- Utilize systems proficiently for executing critical functions including but not limited to BizLink, BigInterview, and Suitable.
- Facilitate direct communications and social media to effectively engage with students.
