Starting Salary: \$6,730.80 (per month)

Full Salary Range: \$6,730.80 - \$8,946.11 (per month)

The Foothill-De Anza Community College District is currently accepting applications for the classified position above.

The Foothill - De Anza Community College District does not have a remote work policy. All employees are expected to be available to work in person and on-site per the requirement of the department.

The Foothill-De Anza Community College District does not reimburse applicants for travel, lodging or any other costs incurred by applicant to attend interviews. All interviewing costs incurred will be the responsibility of the applicant.

Foothill - De Anza Community College District Mission Statement:

The mission of the Foothill-De Anza Community College District is student success and educational excellence. The district and its colleges provide access to affordable, quality educational programs and services that develop a broadly educated and socially responsible community that supports an equitable and just future for California and the global community. Every member of our district contributes to a dynamic instructional and learning environment that fosters student engagement, equal opportunity, and innovation in meeting the various educational and career goals of our diverse students. Foothill-De Anza is driven by an equity agenda and core values of integrity, inclusion, care for our students' well-being, and sustainability.

DEFINITION:

This is a skilled position at the journey level, involved in servicing, repairing and maintaining a variety of vehicles and operating equipment, both conventional and power driven. The employee uses appropriate tools, safety techniques, equipment and supplies in keeping the vehicles and fuel engine equipment of the District in a safe operating condition. A high degree of independent judgment and creativity is required to select from alternative solutions, materials, supplies and appropriate procedures.

Incumbents in this classification are assigned to work in the automotive mechanic trade, but many also be assigned to assist other Plant Services personnel as needed.
