Job Description

The UB Center for Integrated Global Biomedical Sciences (CIGBS), headquartered in the UB Center of Excellence in Bioinformatics and Life Sciences (CBLIS), conducts innovative research and fosters international collaborations in new areas of drug development. In addition, UB CIGBS has held a highly regarded NIH contract for global pharmacology laboratory quality assurance that has recently been renewed through 2029.

We are currently seeking to add a **Project Staff Assistant** to our team to support our Clinical Pharmacology Quality Assurance (CPQA), CIGBS, and TPRC Programs as they expand and relocate operations to another UB campus. This position is an outstanding opportunity for individuals to join a dynamic team and ensure operations of these programs are maintained during the reorganization process.
