reservations.

- Assist the department with human resource related activities, including coordination of searches, tracking appointments, processing personnel transactions, assembling dossiers, and facilitating immigration filings.
- Provide administrative support associated with department finances, such as procurement, reconciliation of expenses, processing reimbursement requests, and assisting department members with reimbursement requests.
- As a member of the department's administrative staff team, the incumbent will be asked to provide general business support as needed, including but not limited to, event planning and execution, faculty travel and student travel, and management of department assets, inventories, and space.
- Submitting and tracking facilities work orders and requests.

This position requires strong professional judgement and resourcefulness, the ability to work independently, accurately handle time-sensitive matters, problem-solve and maintain confidentiality. The Department Staff Assistant must be organized, flexible, able to manage multiple projects with competing demands and make appropriate decisions regarding priority with minimal supervision. This position will require on-the-job learning and new skills development pertinent to university systems, professional associations, departmental initiatives, project procedures, and changes in university policies.

We are committed to the ongoing development of an excellent and diverse community of scholars, staff and students engaged in education, research, and service. We encourage applications from women, members of minority and historically marginalized groups, veterans, and individuals with disabilities.
