Job Description

Auburn University **Risk Management & Safety** seeks candidates for a **Safety & Health Specialist** position to conduct activities to advance the health and safety programs and objectives of the university community and promote university-wide compliance with local, State, and Federal codes and regulations. Such activities may be related to, but not limited to general safety and health, animal program safety, industrial hygiene, and fire and life safety.

Auburn University Risk Management & Safety is committed to providing a safe education and work environment. We work closely with university personnel and other stakeholders to promote a safe and healthy environment for employees, students, and visitors while the university conducts world-class research, education, and outreach. Our staff is comprised of highly qualified technical experts, scientists, administrators, and technicians who apply their knowledge and expertise in assisting the university community to meet their goals.
