The [School of Engineering and Applied Sciences](#) (SEAS) [Office of Academic Affairs](#) seeks an innovative professional for the position of **Admissions Assistant**. This position will provide direct operations support of SEAS school-wide graduate recruitment, admission and student support processes to support 9 academic departments and over 40 individual programs. The position will also support the School's efforts to build an inclusive and culturally diverse community of science and engineering students which currently originate from 30 states in the U.S. and nearly 70 countries across the world.

Duties include:

- Assist with application processing.
- Assist with the admissions process.
- Assist with Slate CRM.
- Assist with the Graduate Ambassador Program.
- Assist with events management such as orientation, in person and virtual recruitment events and recruitment receptions.
- Provide administrative support.
- Handle walk-ins and high volume of phone calls from prospective students.
- Other duties as assigned.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization.
