| **Job Description** | |

The Office of Information Technology at Auburn University is seeking applicants for the role of Application Systems Analyst within our Data Warehouse team. This position involves collaborating with various departments and integrating multiple applications with the university's mobile platform. As a technical lead and business expert, you will assist clients in identifying needs, defining system scope, and setting objectives. You will also monitor, define, create, and modify procedures to address highly complex or unprecedented challenges, considering resource capacity, operating time, and desired outcomes. Responsibilities include program design, coding, testing, debugging, and documentation.

**This position is located in Auburn, Alabama and working onsite is a requirement of the job.** *After completion of probationary period, may work up to 2 days hybrid remote with supervisor's approval.*

Why Should **YOU** Choose Auburn University?

- **At Auburn, our work changes lives.** We are dedicated to shaping the future of the people of Alabama, the nation, and the world through forward-thinking education, life-enhancing research and scholarship and selfless service.
- **Competitive state benefits** including retirement plan vesting at 10 years of service, generous leave accrual, and parental leave opportunity.
- **Auburn University tuition assistance for yourself and your dependents.** Employees can take 15 hours of classes for free, and dependents receive a 50% tuition waiver.

**About Auburn**: Auburn was named by Forbes Magazine as one of the state of Alabama's best employers, with employees staying an average of ten years! Learn more about Auburn's impact, generous employee benefits, and thriving community by visiting **aub.ie/working-for-auburn**.

**It's a Lifestyle**: The Auburn/Opelika area is a page right out of Southern Living magazine with an idyllic small-town feel, perfecting a unique balance between a close-knit community and driving consistent growth and development. Paralleling the exponential growth of Auburn University, the Auburn/Opelika area boasts services and amenities that cater to any interest. We're proud of our top school systems, city services, award-winning restaurants, and the infectious spirit of life in a college town. You can find us nestled halfway between the beach and the mountains in a lower-cost-of-living area, two hours outside of Atlanta or Birmingham. If you're new to Auburn, we'd love to introduce you. If you're already acquainted with Auburn, we'll keep it simple: it's time to come home!
