The University of California, Berkeley, is one of the world's leading institutions of higher education, distinguished by its combination of internationally recognized academic and research excellence; the transformative opportunity it provides to a large and diverse student body; its public mission and commitment to equity and social justice; and its roots in the California experience, animated by such values as innovation, questioning the status quo, and respect for the environment and nature. Since its founding in 1868, Berkeley has fueled a perpetual renaissance, generating unparalleled intellectual, economic and social value in California, the United States and the world.

We are looking for equity-minded applicants who represent the full diversity of California and who demonstrate a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds present in our community. When you join the team at Berkeley, you can expect to be part of an inclusive, innovative and equity-focused community that approaches higher education as a matter of social justice that requires broad collaboration among faculty, staff, students and community partners. In deciding whether to apply for a position at Berkeley, you are strongly encouraged to consider whether your values align with our [Guiding Values and Principles](#), our [Principles of Community](#), and [our Strategic Plan](#).

At UC Berkeley, we believe that learning is a fundamental part of working, and our goal is for everyone on the Berkeley campus to feel supported and equipped to realize their full potential. We actively support this by providing all of our staff employees with up to 80 hours (10 days) of paid time per year to engage in professional development activities. To find out more about how you can grow your career at UC Berkeley, visit grow.berkeley.edu.

Departmental Overview

UC Berkeley's University Health Services (UHS) is a comprehensive campus based health center providing fully accredited primary care, counseling and psychological services, and innovative health promotion programs for students, faculty and staff. The UHS provides on-campus medical and mental health care and coordinates supplemental needs for off-campus care through a network of community specialists and hospitals. The Clinical Services Program within the UHS includes urgent care clinics, general medical and specialty clinics, laboratory, pharmacy, physical therapy, radiology and a major insurance plan covering Berkeley students.

Application Review Date

The First Review Date for this job is: 10/23/24. This job will remain open until filled.

Responsibilities

Radiography

A: Takes all necessary studies and special views upon written request of clinician. Responsible for minimizing the amount of radiation exposure to both themselves and the patient. Employs techniques appropriately, efficiently, and effectively while responding to patients needs. Processes images, and makes copies as needed. Uploads outside studies.

B. Provides technical consultation to clinical and other radiology staff. Assists clinicians with finding reports or results.

Quality Control

A: Complies with department quality assurance and quality control monitors. Complies with all regulatory policies and procedures to assure the needs of patients and staff are met.

B: Follows safety policies and procedures and wears appropriate dosimetry per Radiation Safety.

C: Prepares all paper and computer work to process exams and keep accurate statistics.

D: Checks all exams for completeness and quality, and sends studies for interpretation in a timely manner.

Communication and Customer Service

A: Demonstrates effective and positive communications. Requests and accepts feedback.

B: Demonstrates courteous and service-oriented behavior at all times when interacting with patients, families, and UHS staff.

C: Respects and guards confidentiality with patients and other staff members.

D: Problem solves patient relations. Actively addresses complaints, concerns, and suggestions. Identifies and brings to the supervisor any problems that cannot be addressed.

E: Demonstrates sensitivity to patients concerns, provides sympathetic responses to patients questions.

Other duties as assigned by Supervisor.

Required Qualifications

Education

- Graduation from an approved AMA school of radiography Required
- Associate Degree or higher

Knowledge, Skills and Abilities

- Graduation from an accredited school of radiologic technology, a valid certificate in Diagnostic Radiologic Technology issued by the California State Department of Health, or an equivalent combination of education and experience.
- Knowledge and abilities essential to the successful performance of the duties assigned to the position.
- Demonstrates responsibility and accountability for own practice and follows Universal Precautions.
- Respects the rights of others. Establishes effective working relationships with other members of the health care team, patients and families.
- Demonstrates flexibility, accepts assignments willingly and discusses concerns with supervisor.
- Shares knowledge in a constructive manner.
- Coordinates and collaborates with other members of the team to meet unit/UHS goals.
- Demonstrates constructive problem solving and contributes as a member of the team.
- Demonstrates knowledge of and applies safety principles as identified by UHS.
- Seeks to improve skills and knowledge and meet job related goals.
- Demonstrates punctuality to work and attends required meetings. Maintains attendance and follows call out policy as per UHS guidelines.
- Excellent written and oral communication skills.
- Basic computer skills and experience.
- Excellent organizational skills.
- Detail oriented with the ability to follow written and oral instruction.
- Excellent customer service and people skills.
- Experience working with diverse individuals and lifestyles.

Preferred Qualifications

- Certification with the American Registry of Radiologic Technologists (ARRT).

Salary & Benefits

For information on the comprehensive benefits package offered by the University, please visit the University of California's [Compensation & Benefits](#) website.

Under California law, the University of California, Berkeley is required to provide a reasonable estimate of the compensation range for this role and should not offer a salary outside of the range posted in this job announcement. This range takes into account the wide range of factors that are considered in making compensation decisions including but not limited to experience, skills, knowledge, abilities, education, licensure and certifications, analysis of internal equity, and other business and organizational needs. It is not typical for an individual to be offered a salary at or near the top of the range for a position. Salary offers are determined based on final candidate qualifications and experience.

- The budgeted salary or hourly range that the University reasonably expects to pay for this position is Step 1.0 \$45.16- Step 7.0 \$50.88
- This is a 80%, full-time (32 hours per week), career position that is eligible for full UC benefits.
- This position is non-exempt and paid bi-weekly.

How to Apply

To apply, please submit your resume and cover letter.

Other Information

- This is not a visa opportunity.
- Your employment is dependent on obtaining and maintaining a credentialing clearance (if applicable), background clearance and medical clearance according to University Health Service policies.
- This position is governed by the terms and conditions in the agreement for the Patient Care Technical Unit (EX) between the University of California and the American Federation of State, County, and Municipal Employees (AFSCME). The current bargaining agreement manual can be found at: <http://ucnet.universityofcalifornia.edu/labor/bargaining-units/ex/index.html>.

Conviction History Background

This is a designated position requiring fingerprinting and a background check due to the nature of the job responsibilities. Berkeley does hire people with conviction histories and reviews information received in the context of the job responsibilities. The University reserves the right to make employment contingent upon successful completion of the background check.
