- Process initial and annual provider malpractice applications. Performs appropriate and timely database management of applications in order to cancel or update, when applicable.
- Maintains updated CAQH files, IntelliApp files, and provider rosters.
- Communicates with insurance carriers to ensure that all provider information is accurate and current.
- Coordinates credentialing with Kaleida, ECMC and other entities as needed.
- Enroll providers in Pecos and ePaces.
- Works with human resources department for onboarding as it relates to new provider credentialing.
- Ensures that ETIN's are updated with Medicaid and ePaces. Submit group/provider Medicaid and Medicare revalidation when due.
- Maintains confidentiality and adheres to all HIPAA privacy rules and policies.
- Communicate with providers to enlist the proper documentation needed for credentialing and any issues that arise with the payers.
- Communicates with the billing department to resolve issues, as needed.
- Communicate with division/site designees regarding licenses and DEA information in order to ensure all records are updated in EMR.

We are committed to a professional environment that is positive, respectful, cohesive, and supportive of cultural and individual differences in the service of our clinical and academic goals.
