- Curriculum planning, instruction, documentation and assessment of children
- Working with families, therapists, team-teaching and supervising University undergraduate and graduate students
- Collaborating with the administrative team to align with new COVID-19 new policies, regulations and programming

What We're Looking For

Basic Requirements:

- Knowledge and skills as typically acquired by a Master's degree in Early Childhood Education or related field and 3 years' experience with teaching children, including those with special needs
- Skill in designing classroom environments and curriculum within an inclusive setting; experience supervising University students.

Pay Range

Minimum \$64,550.00, Midpoint \$80,700.00, Maximum \$96,850.00

Salary is based on related experience, expertise, and internal equity; generally, new hires can expect pay between the minimum and midpoint of the range.
