Worcester Polytechnic Institute - WPI

JOB DESCRIPTION SUMMARY

The primary purpose of this position is to enhance overall student wellness by providing direct case management services, crisis intervention, clinical services, and support. In addition, this position provides consultation to WPI community members, preventative and educational outreach initiatives, and administrative support of the case management position.

WPI is passionate about creating an inclusive workplace that promotes and values diversity. We are looking for candidates who can support our commitment to equity, diversity, and inclusion.

This is an on-site, 11-month position.

JOB DESCRIPTION

Responsibilities:

Providing case management and clinical outreach by:

- Creating and maintaining a referral database for mental health providers throughout the State of Massachusetts and assisting students in finding mental health care in their home states.
- Assisting and supporting students in accessing services from community resources for outpatient mental health care (outpatient therapists, psychiatrists, neuropsychological testing, higher levels of care, and more).
- Developing and implementing systems for follow-up with students who have been referred to community resources (therapists, psychiatrists, clinics) & serving as a liaison between community mental health providers and WPI/SDCC staff.
- Assisting students who have been assessed at EMH or hospitalized for mental health reasons transition back to WPI by coordinating with the hospital for follow up/discharge planning & completing a re-entry meeting after discharge to facilitate access to appropriate services on- and off-campus.
- Working with students who have taken a leave of absence for mental health reasons transition back to WPI by completing a return meeting & facilitating students access to appropriate services

on- and off-campus with support from the Director.

- Collaborating with counseling staff in treatment and disposition planning for students.
- Maintaining appropriate records and documentation of case management activities.
- Building liaison relationships with off-campus mental health providers, private practitioners, hospitals and inpatient units, and other community partners.
- Building relationship with WPI partners, with the goal of assuring continuity of care for SDCC students.

Support administrative and campus outreach initiatives by:

- Attending and participating in regular on-call rotations, staff meetings, and leading case management meetings.
- Attending campus and community meetings as appropriate.
- Providing outreach/educational seminars as needed.
- Attending continuing educational and professional development opportunities.
- Interpreting University policy regarding students and making recommendations when policy changes are needed in collaboration with the Director.
- Collaborating within the Dean of Students Office and the Director of Counseling, and across campus in regard to student welfare issues.
- Consulting with members of the WPI community - including faculty, administration, staff, parents and students -regarding mental health needs of students.
- Consulting with on-and off-campus health care providers, including Student Health Services, Office of Accessibility Services, Dean of Students, hospitals, community mental health agencies, and private practitioners, etc. to help coordinate care.
- Supporting the CARE Team by attending weekly meetings, consulting with this team about

mental health issues, and conducting appropriate follow up.

- Serving on division or campus wide committees as appropriate.
- Participating in division of Student Affairs and Campus Life meetings and activities.

Provide crisis assessment, intervention, and high-quality counseling to WPI students by:

- Providing on-call and urgent counseling sessions for students with urgent or emergency concerns. Will provide appropriate referrals for on-going counseling or other mental health supports.
- Communicating with campus partners (Campus Police, Dean of Students, Residential Services) while on-call for students with urgent or emergency concerns.
- Supporting clinical staff during hospitalizations by serving as a consultant, and assisting with task associated with hospitalizations, calls to campus police or hospital emergency department staff to alert them to the incoming student and providing ongoing coordination with the hospital.
- Maintaining a small (2-4 clients) counseling caseload and providing counseling to students with complex mental health concerns.
- Conducting mandatory assessments for identified students referred to SDCC by Dean of Students.
- Maintaining schedule and timely clinical records and notes through HIPAA-compliant Titanium record system.

Requirements:

- Masters in Social Work, Counseling, Psychology or other related field
- LCSW (LICSW eligible), LICSW, MA (LMHC eligible), LMHC or equivalent

2 years' experience
