- Performs other related duties as assigned by authorized personnel or as may be required to meet emergencies.

Cystic Fibrosis Specific (CF) Requirements:

- Work with patients to ensure adequate patient centered CF specific airway clearance to maintain lung function.
- Develop relationships and complete annual assessment on all patients with CF. Complete periodic assessments at each clinic visit (2-4 times per year).
- Work with Adult CF Care team to assist in providing appropriate respiratory care equipment

We are committed to a professional environment that is positive, respectful, cohesive and supportive of cultural and individual differences in the service of our clinical and academic goals.
