Job Description

The University at Buffalo's [Office of Residential Maintenance Services](#) is seeking a candidate to fill the **Trades Specialist (Electrician)** position. In this role, you will collaborate with a team of dynamic and diverse individuals and ensure safety of electrical and maintenance of electrical components across UB's North and South campuses. All the Student Life trades, and custodial staff work within UB's residential halls and apartments.

In a typical year, Campus Living houses up to 7,500 students at UB. Our skilled trades and custodial staff care for the buildings our students live in. Their priority is the health and safety of our students. Without dedicated cleaners and maintenance staff, the university would not be able to have a residential program.
