The Graduate Program Administrator will be engaged in all aspects of graduate student experience including recruitment, admissions, student services and program management. Specific duties include, but are not limited to:

- Serve as the primary contact for incoming and current students, supporting them throughout the admissions process and academic journey.
- Coordinate onboarding, enrollment, tuition remission, appointment, and academic monitoring
- Facilitate recruitment strategies and marketing initiatives, working closely with the Associate Dean for Graduate Programs, Director of Graduate Programs and Director of Admissions to promote the program's mission.
- Manage the day-to-day operations of the graduate program, responding to student inquiries, including tracking student degree progress, coordinating services, and ensuring program milestones are met.
- Plan and execute events such as recruitment fairs, prospective and accepted student information sessions, Pharmacy Summer Institute, Open Houses, Orientation, Commencement, and Alumni Reunion in support of the recruitment of SPPS graduate students.
- Provide admissions and recruitment, post-admittance, and ongoing student support.

Successful candidate must be able to collaborate with and support multiple members of a diverse school and university community, participating wherever necessary to ensure smooth and efficient operations, as well as continuously analyzing the work and identifying areas for improvement. They must be able to multitask across strategic project areas, ensure consistent follow-up and follow-through and have excellent communication skills.
