Job Description	

Overview

Tufts University School of Dental Medicine (TUSDM) offers one of the most forward-looking educational environments in dental medicine in the county. Since its founding in 1868, TUSDM has been committed to leadership in education, patient care, research, and community service. Students obtain an interdisciplinary education, integrated with medicine, with access to training in dental specialties. Clinics managed at TUSDM provide quality comprehensive care to more than 20,000 individuals annually. Nationally and internationally, the school promotes health and educational programs and researches new procedures, materials and technologies to improve oral health.

Practice Manager - Dental Hygienist Tufts University

What You'll Do

Under limited supervision of the Administrative Director, the Dental Hygiene Practice Manager is responsible for direct supervision of Dental Hygienists (DHs) for Tufts Dental Facilities' (TDF's) seven clinics.

- Oversees and monitors daily work of DHs to analyze, develop and implement sound, sustainable and innovative workflow processes to improve business management of assigned areas.
- The Practice Manager is responsible for monitoring policies, procedures, and guidelines in accordance Tufts University School of Dental Medicine (TUSDM) and Tufts University compliance related to procurement, travel, DPH clinic licensing standards and contractual agreements.
- The Practice Manager assures effective DH workflows to maximize revenue collections, by developing, implementing, utilizing, monitoring an end of day reporting workflow to ensure proper coding, reduction of billing errors, and maximized efficiency as part of overall revenue cycle management.
- This includes clinic capacity, appointment scheduling, no show and schedule utilization, patient flow and management.
- The Practice Manager will remain up to date on clinical processes, coding and MassHealth (MH) and Department of Developmental Services' (DDS) treatment exceptions and MH processes.
- Assures compliance as related to infection control as determined by OSHA, DDS, the Department of Public Health (DPH) and TDF's standard of care.
- Complies with HIPAA guidelines to ensure the confidentiality of protected health information.
- Provides direct support to the Administrative Director to meet deadlines related to production byrunning reports, analyzing, and compiling data from various software programs (dental and financial).
- Works collaboratively in conjunction with TDF management to share and develop new ideas, protocols, efficiencies, and treatment modalities.
- Responsible for recruitment, onboarding and training of DH staff.
- Will also build a temporary workforce.
- Visit all TDF clinics to observe and provide support to DHs on a routine basis to remain continually abreast of the practice of hygiene across the program.

What We're Looking For
