and career and major exploration.

- Adhere to funding guidelines and requirements, contributing to the collection and reporting of program data.
- Participate in the creation of an Experiential Learning presence on the Career Design Center website and additional marketing initiatives to promote program offerings and their value to campus and external communities.
- Serve as a point-of-contact for stakeholders, responding to inquiries about program requirements, logistics and collaborations in a timely manner.
- Provide direct supervision to professional staff, graduate students, and/or student employees

Our team recognizes the advantages diverse perspectives and backgrounds bring to the workplace. We are particularly interested in candidates who share this value and will work to achieve the university's goals of inclusive excellence.

***Learn more:***

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

**Minimum Qualifications**

- Bachelor's degree and 2 years administrative experience
- Experience in relationship development, human resources, work-based learning, recruiting and/or sales or a related field
- Experience with collecting and reporting data
- Demonstrated ability to successfully create and deliver programs, managing multiple priorities with attention to detail and follow through
- Ability to collaborate with multiple and diverse stakeholders to achieve goals and outcomes.
