related work experience.

Serve as the point of contact between the Lee College campus and service area high schools. In coordination with campus departments and public school officials, create a college culture in the service area by promoting the dual credit program and assisting high school students and their parents with college testing, admissions, scheduling, registration, and payments.

Essential Duties & Responsibilities

- Collaborate with the high schools on recruitment strategies and activities beyond just attending College and Career nights and Parent nights.
- Assist with the logistics and completion in ensuring that all high school students wanting to take dual credit complete the ApplyTexas application.
- Assist students with choosing a career pathway.
- Provide advising sessions to ensure the students' pathway selection aligns with their career goals, high school endorsements, and high school schedule.
- Provide one-on-one advising to students who are taking the College Preparatory Course in Language Arts and/or Mathematics.
- Ensure that all high school students wanting to take dual credit complete the pre-assessment activity. The PAA is given verbally or online. Provide logistics support and direct assistance as required.
- Create and update spreadsheets to identify where students are at in the dual credit enrollment process.
- Identify students who need to take placement tests by utilizing the information on the Onboarding Spreadsheet.
- Act as a liaison between the Lee College Testing Center, students, and proctors throughout the testing process, including the identification of proctors at the high schools who need proctor training.
- Review of test score following initial testing for each student interested in dual credit.
- Collect registration forms for each student, determine eligibility, register students in the proper section, coordinate high school rosters, maintain schedule changes, and determine student enrollment for tuition purposes.
- Maintain mandatory New Student Orientation protocols to ensure all dual credit students attend.
- Generate payment reports to communicate to students with balances and collaboratively work with the Lee College Business Office to troubleshoot student account issues.
- Advocate for students through the coordination with high school counselors to assist with contacting student to ensure student success, including outreach from 3-week progress reports, address bookstore needs, process drops/withdrawals in collaboration with high school counselor,

and act as a liaison between the student and faculty.

- Attend high school advisory board meetings.
- Work with the Director on class offerings, instructors, and scheduling at each high school.
- Understand Texas Higher Education Coordinating Board rules regarding dual credit programs.
- Cooperatively work with college advisors, counselors, and staff to remain current in program changes and applicable financial aid options.
- Serve as contact to the administration and staff in public, private, and home-schooled settings.
- Serve as an advisor to parents of dual enrollment students attending public, private, and home schools.
- Establish Parent/Student Orientation Sessions on the college campus, as well on high school campuses.
- Discuss FERPA guidelines with students and their parents.
- Discuss tuition and fees with the students and parents.
- Handle phone calls and emails from counselors, parents, and students regarding the dual credit program.
- Make presentations at Parent Nights, professional meetings, college fairs, and college nights regarding the dual credit program.
- Collaborate with the Director to create handouts and brochures for the programs on campus and for the ISDs.
- Make onsite visits to service area high schools to facilitate communication and provide support.
- Participate in dual credit faculty development.
- Address complaints and disciplinary issues, including academic and behavioral, with appropriate contacts as needed in a timely manner.

Additional Duties & Responsibilities

- Assist in the Memorandum of Understanding (MOU) process with school districts served, to reflect the dynamic nature of the dual credit partnerships.
- Generate reports for the dual credit program in PeopleSoft.
- Perform other duties as assigned.

Minimum Education, Experience, Knowledge, Skills & Abilities

- Bachelor's degree
- Two (2) years of related experience
