The [College of Arts and Sciences](#) is seeking a **Theatrical Head Carpenter/Rigger and Scene Shop Manager** to work closely with the [Center for the Arts \(CFA\)](#) and [Department of Theatre and Dance](#). In this critical role you will execute technical and safety aspects of performances and events. This position focuses on day-of-show rigging, fly operation duties, and leading crews, including touring production personnel, to ensure production work is performed safely and in accordance with industry standards. The individual ensures the safety and readiness of theaters and stage equipment, following proper rigging and staging practices. You will also supervise the stage running crew, ensuring that their tasks are completed efficiently and safely. Additionally, the role involves mentoring students in technical theater skills and providing mentorship support to the Theatre and Dance department for academic productions.

Key responsibilities include:

- Managing rigging and staging for events, enforcing university and industry policies, overseeing theatrical systems and equipment, ensuring venue safety, and coordinating staging.
- Serve as an ETCP-certified rigger, performing rigging, fly and rail operation duties, while assisting with carpentry, welding, and electrical tasks, following industry safety standards.
- Ensure the safety and operational readiness of stage equipment and rigging systems through routine inspections, maintenance, repairs, and installations, following safety protocols under the supervision of the Technical Director.
- Supervise and coordinate the usage and scheduling of the scene shop and maintain in complete operational readiness. This includes performing routine maintenance and repairs, installations, ordering of equipment and supplies and maintaining inventory necessary for daily scene shop operation.
- Supervise and train professional and student crews in the scene shop to ensure adherence to established safety procedures and the appropriate use of tools, equipment, and materials.
- Manage scene shop, production, and equipment budgets as designated which includes: order, track, and maintain shop materials (lumber, hardware, etc.), track and reconcile credit card purchases.

Buffalo, NY is a vibrant arts and cultural center that includes over twenty theatres, several professional and community dance companies, and numerous art galleries. It is home to well-known cultural organizations including the Buffalo Philharmonic Orchestra, the Albright-Knox Art Gallery, Ujima Theatre Company, ArtPark, Squeaky Wheel Media Arts Center Hallwalls Contemporary Arts Center, African American Cultural Center, Just Buffalo Literary Center, Burchfield Penney Art Center and more.
