<b>Job Description</b>	

### Position Summary

The **Purchasing and Contract Services department** at the University at Buffalo is seeking a Staff Assistant – to join an exciting procurement team defined by its values of trust, accountability, collaboration, continuous improvement, customer service and respect. In this role you will support the procurement needs of the University's staff, faculty and research community in compliance with all Federal, State, Research Foundation (RF), SUNY, and University standards, regulations and policies.

To be successful in this position you must have strong communication skills for collaborating and negotiating with suppliers and internal stakeholders. The selected individual will be an organized problem-solver and analytical. In addition, you must be professional, customer centric and technically capable of utilizing an e-Procurement system.

In this position, you will perform a variety of purchasing duties to include:

- Procurement of assigned commodities and services.
- Issue Requests for Information (RFI) and competitive bids (RFQ, RFP).
- Use an e-procurement system to handle all procure-to-pay duties.
- Provide guidance and training to university staff regarding procurement policies, procedures and use of the eProcurement tool.
- Identify and educate potential suppliers on doing business with the University.
- Review and analyze data to recommend strategic sourcing opportunities and process improvements.
- Attend virtual or in-person procurement, supply chain or other professional training opportunities.

### **Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options.
