Posting Detail Information

Position Summary

The [Laboratory Animal Facility](#) at UB is seeking an **Animal Caretaker** who will be responsible for daily care of various laboratory species. The person will perform basic husbandry duties for animals housed in different health and safety levels: Clean animal rooms and caging, water and feed animals, dispose of wastes appropriately, follow safety protocols when using hazardous agents.

Additional duties are as follows:

- Monitor health of animals and room environments and report abnormal conditions. Assist in veterinary care, administer treatments and perform other technical procedures. Humanely handle, restrain and transport animals.
- Assist principal investigators, students and technicians.
- Operate and maintain equipment used in cage preparation and room sanitation. Receive, house, remove and record arrival and departure of animals, maintain animal inventories. Perform tasks such as: maintenance of; supply inventories, breeding records, activity logs, sanitation records.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.
