Position Summary

Biomedical education research group seeks a **Project Aide** to engage in a multifaceted approach. The main aim of our laboratory is to better understand the career development perceptions of undergraduates and recent graduates in biomedical sciences.

Specific duties include:

- Working with quantitative data (statistics)
- Visualizing and presenting data
- Participating in individual interviews with undergraduates
- Analyzing qualitative data

The candidate will work under the direction of Dr. Melissa McCartney.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.
