Tufts University School of Dental Medicine (TUSDM) offers one of the most forward-looking educational environments in dental medicine in the country. Tufts Dental Facilities for Persons with Special Needs (TDF) is a network of seven outpatient clinics that provides dental care to approximately 7,000 developmentally disabled patients in the state of Massachusetts under the umbrella of TUSDM and in partnership with the Massachusetts Department of Public Health (DPH) and the Massachusetts Department of Developmental Services (DDS). Additional patient treatment is provided in the operating room setting at four affiliated hospitals within the state. The TDF program also provides a venue for teaching General Practice Residents through the Tufts GPR Program and 4th year dental students from TUSDM.
