Position Summary

The University at Buffalos Office of Residential Maintenance Services is seeking a candidate to fill the Trades Specialist (Electrician) position. In this role, you will collaborate with a team of dynamic and diverse individuals and ensure safety of electrical and maintenance of electrical components across UBs North and South campuses. All the Student Life trades, and custodial staff work within UBs residential halls and apartments.

In a typical year, Campus Living houses up to 7,500 students at UB. Our skilled trades and custodial staff care for the buildings our students live in. Their priority is the health and safety of our students. Without dedicated cleaners and maintenance staff, the university would not be able to have a residential program.

Key accountabilities and responsibilities:

Trades Specialists (Electrician) may supervise and instruct others in the repair, maintenance, and installation of electrical systems and equipment.

- May prepare wiring diagrams from verbal or written instructions to accomplish a project.
- From plans, may recommend to supervisor the kind, quantity, and quality of materials to be used.
- Assembles materials, tools and equipment required to accomplish the work according to plan.
- Performs journey level tasks as required.
- Gives verbal instructions and/or demonstrates proper method of performing electrical work and the use of electrician tools and equipment.
- Observes and inspects the work while in progress and when completed to ensure that the job is done properly and that electrical codes are followed.

At Campus Living, we strive to achieve personal growth and learning every day, for everyone. We are a community that welcomes and celebrates every student, staff, and guest with all their diverse identities, beliefs, and ways of thinking. Our team recognizes the advantages diverse perspectives and backgrounds bring to the workplace. We are particularly interested in candidates who share this value and will work to achieve the universitys goals of inclusive excellence.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.

University at Buffalo is an affirmative action equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Minimum Qualifications

Non-competitive: Four years of full-time experience in the electrical trade under a skilled tradesperson which would provide training equivalent to that given in a training, apprenticeship, or equivalent program, OR an equivalent combination of experience and training gained by completion of technical courses in the electrical trade at a school, institute, or branch of the Armed Services; OR successful completion of the two-year Trades Specialist (Electrician) traineeship or a two-year electrician training, apprenticeship, or equivalent program* such as the New York State Civil Service Employees Association-Partnership Applied Skilled Trades Traineeship and Certificate Program.

* Successful completion of the traineeship and the training program includes a total of 288 hours of trade-specific class room instruction, 45 hours of technical math course work, 45 hours of technical communications course work, and 15 hours of blueprint/schematic reading course work. Course work must be completed with an average of "C" or better. Additionally, successful completion of the traineeship also includes 4,000 hours of on-the-job training.

Preferred Qualifications

This position requires traveling within the campus, between campuses and off-campus. A valid drivers license to operate a motor vehicle in NYS is preferred or the candidate should otherwise demonstrate their ability to meet the transportation needs of the position.
