drivers license appropriate for the type of vehicle being operated.

### Preferred Qualifications

The following are not required, but preferred qualifications:

- Plumbing experience
- HVAC experience
- Fall Arrest training
- Lock-out/Tag-out training
- Completed HVAC training
- Confined Space training
- Chemical Treatment training
- General Mechanic experience
- Boiler training/experience

### Physical Demands

You will be working near and on electrical equipment, gas-fired equipment, pressure vessels, and other equipment and in conditions that could potentially be hazardous if industry best-practices and safety procedures are not followed. The successful candidate is required to have confidence in their own abilities, and be able to work safely and proficiently on this equipment and in this environment, at any time of day or day or week.

Bending, twisting, ability to transport 50 pounds, ascend ladders, access equipment located on mezzanines, catwalks, basements and crawlspaces. Ability to work off ladders, scaffolding, in confined spaces and/or where air monitoring may be required. Work in loud/noisy dusty/dirty environments. Candidate must be able to position self to move, reach, push and pull the material and equipment and be able to perform the physical demands of the position as outlined in the Position Summary.

### Salary Range

\$36,232
