Departmental Overview

UC Berkeley's (UCB) University Health Services (UHS) is a comprehensive college health service providing fully accredited, primary medical care, counseling and psychological services, and innovative health promotion programs for students, faculty, and staff. UHS provides on-campus medical care and coordinates supplemental needs for off-campus care through a network of community specialists and hospitals. UHS manages the student health insurance and workers' compensation insurance programs.

UHS provides services to students Monday through Friday from 8:00AM to 6:00PM and on weekends. Approximately 65,000 visits occur annually including Primary Care, Urgent Care, Occupational Health, and Specialty Clinics. Services are designed to enable students to get the most from their educational experience, minimizing the impact of illness, injury and emotional distress on their academic careers. Medical care and wellness programs for faculty and staff are designed to meet their occupational health needs and minimize lost work time. These visits generate ancillary encounters with the Radiology, Clinical Laboratory, Physical Therapy and Pharmacy departments. The Counseling and Psychological Services department sees an additional 15,000 visits per year.
