Posting Detail Information

Position Summary

The [School of Dental Medicine](#) seeks talented individuals to join our team as a **Program Coordinator**. In this role, you will be responsible for the coordination and administrative support of programs within both our academic and administrative departments. This position requires strong organizational and project management skills, initiative, adaptability, excellent follow through and the ability to work with diverse population at all levels of the organization. Working directly with Department Chairs and Administrative Directors, you serve as the primary coordinator for departmental activities and liaise with the SDM central administration. The individual must have a demonstrated commitment to working both collaboratively and independently to advance the Schools objectives.

Responsibilities include but are not limited to:

- Serve as liaison for the department chair or director with other parts of the school with respect to administrative matters.
- Coordinate operational processes throughout and to completion of the programs.
- Oversee planning and execution of events, which include developing proactive project plans, managing day-of logistics, and collecting/evaluating post-event feedback.
- Work with program director to develop budget/track expenses and ensure compliance to university policies and procedures.
- Serve as primary departmental contact for both internal and external constituents - setting agendas, scheduling meetings, and coordinating communications.
- Maintain lists and databases of key program metrics and other critical time sensitive deliverables.
- Assist with recruitment faculty, staff, and students - facilitating new employee onboarding and access.
- Perform other duties as assigned by the chair or director.
