Starting Salary Range is \$48,963 - \$55,099. The initial salary offer is commensurate with education and related work experience.

Under the guidance and direction of the Executive Director and Director, the Journeyman Electrician performs complicated and routine maintenance tasks on electrical systems.

Essential Duties & Responsibilities

- Perform routine maintenance on electrical gear, switchgear, motor, and lighting control panels.
- Install lights, switches and repair electrical wiring in buildings as needed to correct electrical problems.
- Work to improve the campus Preventative Maintenance (PM) program.
- Respond to calls, such as tripped circuits, blinking lights, and other electrically related items.
- Troubleshoot problems with the electrical component of HVAC equipment, power generators, and fire alarm systems.
- Coordinate with the locksmith on electrical locks.
- Work with the specialized contractors as needed, such as fire alarm systems and elevator systems.
- Install new circuits.
- Perform maintenance and other construction related electrical work.

Additional Duties & Responsibilities

Perform other duties as assigned.

Minimum Education, Experience, Knowledge, Skills & Abilities

- High School Diploma or equivalent (G.E.D.)
- Hold a current Journeyman Electrician's license issued by the State of Texas
- One (1) year of experience in an electrically similar position
- Must have mathematical skills and analytical skills to do estimates
- Must be computer literate
- Must be able to understand verbal and written instructions
- Adept at establishing relationships with all parties involved in the construction process that facilitates harmonious working relations during project, and permit prompt resolution of problems and conflicts as they occur
- Must be familiar with and work within industry safety requirements for tools, equipment, and use
