Campus Infrastructure Coordinator is responsible for overseeing and coordinating all aspects of building construction projects across the campus. This position will assist with selecting and working with architects, engineers, and consultants to create design & bid documents, selecting contractors, reviewing change orders, managing construction and coordinating a variety of processes related to deferred maintenance and capital projects. The role involves meeting with college department representatives and developing scopes of work, budgets and schedules while maintaining standards and code compliance. This includes ensuring compliance with regulations, specifications, contractual agreements, and safety standards. The role involves managing project logistics, coordinating with contractors and stakeholders, conducting inspections, and implementing safety measures.

Key Responsibilities:

- 1. Project Coordination:** Oversee all phases of construction including solicitation of contractors, coordination of plumbing, heating, electrical systems, and ensuring all construction projects comply with architectural and engineering plans.
- 2. Building Construction and Remodeling:** Handle requests for new constructions or renovations, including meeting with stakeholders to develop project parameters, inspecting sites, and preparing cost estimates.
- 3. Supervision and Safety Oversight:** Supervise lower-level coordinators, inspectors, and contractors. Oversee safety inspections, fire and life safety planning, and disaster recovery initiatives. Coordinate fire and life safety inspections, as well as preventive services across all campuses, through external vendor contracts.
- 4. Architectural Design Review:** Ensure that design plans align with stakeholder requirements and comply with all applicable codes and zoning regulations, including ADA standards.
- 5. Field Inspections and Coordination:** Perform periodic inspections to ensure projects adhere to specifications and standards. Plan and coordinate campus moves and event spaces.
- 6. Other Duties as Assigned:** Perform additional tasks as required by the supervisor or department needs.

Supervisory Responsibilities:

Directly supervises Construction Project Coordinator 2 and other staff as assigned.

Posted Jul. 17, 2025, set to expire Nov. 12, 2025

Responsibilities include final selection, work assignment, performance appraisal, discipline, and training.

Minimum Qualifications

- Bachelor's degree in Facilities Management, Architecture, Engineering, Business Administration, or a related field from an accredited institution, and two (2) years of relevant experience.

OR

- Associates degree in Facilities Management, Architecture, Engineering, Business Administration, or a related field from an accredited institution, and four (4) years of relevant experience.

OR

- Six (6) years of relevant experience in facilities construction coordination.

Education and Experience:

- Experience in managing large-scale construction projects.
- Strong understanding of construction principles and building regulations.
- Previous supervisory experience in a construction or facilities management environment preferred

Working Conditions:

- This role may require occasional evening or weekend work to oversee projects during off-hours, or respond to project emergency needs.
- Frequent site visits are required, involving exposure to construction environments, and varying weather conditions. Protective gear and adherence to safety protocols are mandatory.

Candidates must exhibit an appreciation of, a sensitivity to, and respect for a diverse academic environment, inclusive of students, faculty, and staff of varying social, economic, cultural, ideological, and ethnic backgrounds.

Truckee Meadows Community College is a comprehensive educational institution located in Reno, Nevada and is part of the Nevada System of Higher Education. TMCCs five instructional sites and numerous community locations serves an increasingly diverse population of more than 11,000 students each semester. TMCC, an HSI (Hispanic Serving Institution), is a progressive institution that celebrates inclusion and diversity while supporting core themes of academic excellence, student success, and access to lifelong learning.

A vital leader in the New Nevadas growing economy, TMCC is located near the beautiful Sierra Nevada Mountains in an environment rich with a thriving arts, culture, food scene, abundant outdoor activities, and a family-friendly local community. It is only a 3.5 hour drive to San Francisco, CA, a 40-minute drive to Lake Tahoe, and within easy driving distance of four national parks (Great Basin, Yosemite, Lassen, and Death Valley). For more information, please go to www.tmcc.edu or view our virtual tour at tour.tmcc.edu.

The Nevada System of Higher Education (NSHE) is committed to providing a place of work and learning free of discrimination on the basis of a persons age, disability, whether actual or perceived by others (including service-connected disabilities), gender (including pregnancy related conditions), military status or military obligations, sexual orientation, gender identity or expression, genetic information, national origin, race, or religion.
