mission, diverse student body, and commitment to equity and social justice. Since our founding in 1868, we have driven innovation, creating global intellectual, economic and social value.

We are looking for applicants who reflect California's diversity and want to be part of an inclusive, equity-focused community that views education as a matter of social justice. Please consider whether your values align with our [Guiding Values and Principles](#), [Principles of Community](#), and [Strategic Plan](#).

At UC Berkeley, we believe that learning is a fundamental part of working, and provide space for [supportive colleague communities via numerous employee resource groups](#) (staff organizations). Our goal is for everyone on the Berkeley campus to feel supported and equipped to realize their full potential. We actively support this by providing all of our full-time staff employees with at least 80 hours (10 days) of paid time per year to engage in professional development activities. Find out more about how you can [grow your career](#) at UC Berkeley.

Departmental Overview

The Office of Laboratory Animal Care (OLAC) is a "Research Support Unit" under of the Office of the Vice Chancellor for Research at the University of California, Berkeley. OLAC's mission is to support UC Berkeley's quality research program by promoting the highest standards of animal care, welfare, regulatory compliance, education, training and customer service. OLAC is responsible for overseeing the centralized animal care and use program on the Berkeley campus. OLAC provides health care, research and teaching assistance, and housing facilities for all animals that are used for research and teaching on this campus. OLAC provides a range of services, including: a) Daily animal care b) Administration of the animal health care program c) Facility maintenance d) Room monitoring e) The processing of animal and pharmaceutical orders, f) Veterinary research service support, including quarantine g) Transfer and shipment of animals h) Working with controlled substances and their disposal. In coordination with the Animal Care and Use Committee (ACUC), OLAC works with investigators to ensure compliance of all local, state and federal regulations and provides information regarding training requirements. The Office of Laboratory Animal Care provides campus-wide assistance to our researchers, investigators, faculty and students, to fulfill the mission of the University in research and teaching.

Position Summary

The purpose of this position is to provide routine veterinary care that includes clinical diagnoses, laboratory test determination and interpretation, anesthesia, surgery, daily health monitoring, recordkeeping, evaluating research animal feeding, watering, and other husbandry activities.

Preferred Qualifications

- Board Certification in Laboratory Animal Medicine.

Salary & Benefits

For information on the comprehensive benefits package offered by the University, please visit the University of California's [Compensation & Benefits](#) website.

Under California law, the University of California, Berkeley is required to provide a reasonable estimate of the compensation range for this role and should not offer a salary outside of the range posted in this job announcement. This range takes into account the wide range of factors that are considered in making compensation decisions including but not limited to experience, skills, knowledge, abilities, education, licensure and certifications, analysis of internal equity, and other business and organizational needs. It is not typical for an individual to be offered a salary at or near the top of the range for a position. Salary offers are determined based on final candidate qualifications and experience.

The budgeted annual salary range that the University reasonably expects to pay for this position is

- This is a full-time (40 hours/week), career position that is eligible for UC Benefits.
- This is an exempt monthly-paid position.

How to Apply

- To apply, please submit your resume and cover letter.

Driving Required

- Required to hold valid driver's license, have a driving record that is in accordance with local policies/procedures, and/or enroll in the California Employer Pull Notice Program.

Other Information

- This is not a visa opportunity.

Conviction History Background

This is a designated position requiring fingerprinting and a background check due to the nature of the job responsibilities. Berkeley does hire people with conviction histories and reviews information received in the context of the job responsibilities. The University reserves the right to make employment contingent upon successful completion of the background check.

Physical Exam

- Employment is contingent upon passing a physical exam.

SB 791 and AB 810 Misconduct Disclosure Requirement: As a condition of employment, the final candidate who accepts a conditional offer of employment will be required to disclose if they have been subject to any final administrative or judicial decisions within the last seven years determining that they committed any misconduct; received notice of any allegations or are currently the subject of any administrative or disciplinary proceedings involving misconduct; have left a position after receiving notice of allegations or while under investigation in an administrative or disciplinary proceeding involving misconduct; or have filed an appeal of a finding of misconduct with a previous employer.

"Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous place of employment, including, but not limited to, violations of policies or laws prohibiting sexual harassment, sexual assault, or other forms of harassment, discrimination, dishonesty, or unethical conduct, as defined by the employer. For reference, below are UC's policies addressing some forms of misconduct:
