We are looking for applicants who reflect California's diversity and want to be part of an inclusive, equity-focused community that views education as a matter of social justice. Please consider whether your values align with our [Guiding Values and Principles](#), [Principles of Community](#), and [Strategic Plan](#).

At UC Berkeley, we believe that learning is a fundamental part of working, and provide space for [supportive colleague communities via numerous employee resource groups](#) (staff organizations). Our goal is for everyone on the Berkeley campus to feel supported and equipped to realize their full potential. We actively support this by providing all of our full-time staff employees with at least 80 hours (10 days) of paid time per year to engage in professional development activities. Find out more about how you can [grow your career](#) at UC Berkeley.

Departmental Overview

Residential and Student Service Programs (RSSP) is part of the Division of Student Affairs under the direction of the Associate Vice Chancellor of RSSP. RSSP provides student housing, residential life programs, self-operated dining services for undergraduate and graduate students and their families, and child care services for students, faculty, and staff; it also conducts a year-round conference business, operates eleven campus restaurants, and manages twenty-six faculty apartments. The Central Maintenance, Design, and Minor Capital Projects units provide a comprehensive group of services to all units within RSSP. These services include performing or managing all building trades and related maintenance services, performing interior design services, space planning, renovation project planning and management services, major maintenance, minor capital planning and project management for RSSP.

Position Summary

Working as part of the skilled trades group and in conformance with the Electrician job scope, the incumbent performs planned and emergency repairs to all building fire alarm and life safety systems, wiring, devices, and equipment in accordance with a division-developed calendar to meet all National Fire Prevention Association, and State Fire Marshall's Office compliance requirements. Incumbent performs work to achieve timely completion and full documentary compliance of this planned work along with any emergency or other unplanned fire and life safety system work that may arise.

Application Review Date

The First Review Date for this job is: 11/27/2025.

Responsibilities

Electrician (8195C) - 82400

Salary & Benefits

For information on the comprehensive benefits package offered by the University, please visit the University of California's [Compensation & Benefits](#) website.

Under California law, the University of California, Berkeley is required to provide a reasonable estimate of the compensation range for this role and should not offer a salary outside of the range posted in this job announcement. This range takes into account the wide range of factors that are considered in making compensation decisions including but not limited to experience, skills, knowledge, abilities, education, licensure and certifications, analysis of internal equity, and other business and organizational needs. It is not typical for an individual to be offered a salary at or near the top of the range for a position. Salary offers are determined based on final candidate qualifications and experience.

The hourly rate that the University reasonably expects to pay for this position is \$68.34 (Step 1).

- This is a non-exempt, biweekly-paid position.

How to Apply

- To apply, please submit your resume and cover letter.

Driving Required

- Required to hold valid driver's license, have a driving record that is in accordance with local policies/procedures, and/or enroll in the California Employer Pull Notice Program.

Other Information

This position is governed by the terms and conditions in the agreement for the Skilled Crafts Unit (KB) between the University of California and the Alameda County Building and Construction Trades Council (ACBCTC). The current bargaining agreement manual can be found at:

<http://ucnet.universityofcalifornia.edu/labor/bargaining-units/kb/index.html>

- This is not a visa opportunity.

Conviction History Background

This is a designated position requiring fingerprinting and a background check due to the nature of the job responsibilities. Berkeley does hire people with conviction histories and reviews information received in the context of the job responsibilities. The University reserves the right to make employment contingent upon successful completion of the background check.

Physical Exam

- Employment is contingent upon passing a physical exam.

SB 791 and AB 810 Misconduct Disclosure Requirement: As a condition of employment, the final candidate who accepts a conditional offer of employment will be required to disclose if they have been subject to any final administrative or judicial decisions within the last seven years determining that they committed any misconduct; received notice of any allegations or are currently the subject of any administrative or disciplinary proceedings involving misconduct; have left a position after receiving notice of allegations or while under investigation in an administrative or disciplinary proceeding involving misconduct; or have filed an appeal of a finding of misconduct with a previous employer.

"Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous
