### Position Summary:

Perform a wide variety of semi-skilled and skilled farm and ranch duties as directed by the Ranch Manager or Superintendent. These duties are, but not limited to, the operation of farm equipment to prepare seed beds, plant, cultivate and harvest crops; weed/pest control; feeding/handling/doctoring livestock; maintenance and building of fencing and livestock enclosures; irrigating; and successful work either individually or contributing as part of a team effort.

### Minimum Qualifications:

- High School Diploma and 3-years experience working in agriculture.
- Able to operate basic farm equipment, and assist with the maintenance of the tractors and trucks.
- Able to doctor and work cattle in pasture, corrals, working facilities either on foot, machinery, or horse.
- Communicate and work well with all employees and students.
- Able to obtain a commercial pesticide applicators license within 12 months of hire.
- Valid drivers license.

### Preferred Qualifications:

- Associates Degree in an agricultural related field.
- Weed and pest training and/or certification.
- Able to weld, rope cattle, use a weed sprayer, operate and drive a variety of equipment and has experience with a variety of irrigation methods.

### Physical Requirements & Working Conditions:

Ability to lift, carry, or otherwise move up to 80 lbs. Work may be required in inclement weather.

Posting Number: SP001525P

Posting Date: 08/24/2017

Closing Date:

Open Until Filled: Yes
