Job Description

The Veterinary Health Center (VHC) with the College of Veterinary Medicine is seeking applicants for Veterinary Technician Interns. This limited term position provides an opportunity for professional growth in the Kansas State University Veterinary Health Center. An outstanding graduate veterinary technician will be selected to obtain high quality, enhanced technical experience and training through employment in defined specialty areas. Objective of this position is to enhance employee marketability for private practice and/or assist with obtaining two years of post-graduate experience to qualify for future Veterinary Technician II openings in the KSU-VHC.
