Job Description

The University at Buffalo is establishing a list of eligible candidates for the Plant Utilities Assistant title. As a Plant Utilities Assistant, you would assist in the operation, maintenance, and repair of mechanical and electrical equipment providing heat, hot water, ventilation, air conditioning, and electrical distribution in a safe and efficient manner. Positions involve shift work within a 24-hour work schedule which includes night and holiday shifts.

The Plant Utilities Assistant exam is now a decentralized, continuous exam. This application process replaces the traditional exam process.
