**Job Description**

The [Department of Pediatrics](#) is seeking a **Research Support Specialist**, who will support studies in the Child Health and Behavior Lab at the University at Buffalo under the supervision of Principal Investigator Anzman-Frasca.

The Research Support Specialist will assist with research activities for the UB Restaurant Study, including:

- data collection in local restaurants with parents and children,
- communication with study participants,
- study administration tasks, such as supervision of student research assistants.
