Job Description

The [University at Buffalo's School of Nursing](#) seeks an energetic and highly professional **REACHvr Project Coordinator**. This position is with the Center for Nursing Research. A successful candidate will exhibit strong organizational and communication skills and play a pivotal role in the successful execution of the REACHvr program. The Rural and underserved Education and Awareness for Community Health through virtual reality (REACHvr) program aims to educate and promote essential concepts in rural and underserved healthcare for pre-licensure undergraduate nurses using evidence-based experiential education.

Key responsibilities include:

- This position involves acting as a liaison between the University at Buffalo School of Nursing (UB SON) and our practice partners, while providing crucial support to the Program Director (PD) in overseeing project administration.
