Job Description	

Position Summary

The [Office of Institutional Analysis \(OIA\)](#) at the University at Buffalo is seeking an Assistant for Institutional Research to join our collaborative information team. The Assistant for Institutional Research supports operational and strategic planning by senior university officials and academic unit decision makers as well as the collection and analysis of both quantitative and qualitative information about the institution, its students, its faculty, its programs, its publics, its practices and its services. This work involves the development of accurate, comprehensive, and trusted information products central to the support of policy formulation, institutional reporting, and university assessment activities.

Key accountabilities and responsibilities

Assistant for Institutional Research

- System maintenance and support
- Project planning & execution
- Database design
- Documentation
- Analytics
- Statistical Research
- Display Creation
- Professional Development

We invite individuals to apply whose perspectives and experiences will enrich and strengthen our organization. The Office of Institutional Analysis (OIA) serves a diverse constituency of publics, and our employees, services and policies strive to honor and reflect this diversity. We encourage candidates who thrive in a welcoming multicultural environment to apply.

The Office of Institutional Analysis has the primary institutional responsibility for the collection and analysis of quantitative and qualitative information on the institution, its students, its faculty, its programs, its publics, its practices and its services. The office provides analytic support for the planning, evaluation and policy initiatives of the provost and senior leadership and acts as the institution's reporting agent.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. The University at Buffalo is an affirmative action equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Minimum Qualifications

Bachelor's degree with 2 years of experience or a master's degree or professional certification with no experience. An equivalent combination of education and practical experience will be considered in lieu of the education requirement. Specific competencies we require are as follows

- Exceptional interpersonal communication abilities (both written and oral) exhibiting understanding, appreciation and respect for all individuals in a diverse constituency.
- Strong working knowledge of MS Office applications including Word, Excel and PowerPoint as well as visualization tools such as Tableau to deliver trusted analytics, reports, and related information products.
- Experience in the manipulation of massive data sets with a strong understanding of relational database concepts.
- Demonstrated skills providing creative information solutions within a complex, team-oriented, deadline-driven work environment to support the needs of multiple publics.
- Superior organizational skills coupled with a high attention to detail and the ability to creatively display information across multiple subject areas.
- Applicants must be currently authorized to work in the United State on a full-time basis.

Preferred Qualifications

- Previous central office or academic unit experience manipulating university data, assisting with the development of actionable policy, or assessing institutional success is highly desirable.
