**Job Description**

The [\*\*Office of Research Support \(ORS\)\*\*](#) in the University at Buffalo's School of Dental Medicine (SDM) invites applications for a **Research Administrator**. ORS was established to provide the necessary infrastructure to support the research endeavors of SDM faculty, trainees, and students. The Research Administrator will facilitate grant proposal development and management, as well as provide administrative support for a variety of SDM programs and special initiatives.

**Reporting to the ORS Director, the primary duties and responsibilities of the successful candidate include:**

- Provide SDM faculty with post-award administrative support including award budget planning and tracking, reviewing of expenditures for allowability and allocation of charges, reconciliation of accounts, procurement, and initiation of HR transactions.
- Submit requests for account backstopping, no-cost extensions, and budget modifications.

- Provide administrative support to institutional research training programs.
- Assist with organization of the annual SDM Student Research Day and administration of the Summer Dental Research Program and other special projects, as required.
- Ensure compliance with University and sponsor policies and federal regulations.
- Act as a liaison between SDM faculty and staff, other University offices, external partners and funding agencies.

A flexible/hybrid work schedule may be an option for this position.

### **Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.
