The University at Buffalo, [Enterprise Infrastructure Services](#) department (EIS) is looking for a Service Coordinator for Systems Software. The Service Coordinator position entails overseeing service teams dedicated to assisting the office of the Vice President and Chief Information Officer. The primary objective is to optimize computing and information technology to efficiently achieve the University's research, instructional, and public service objectives. Responsibilities encompass managing team activities to ensure smooth support for diverse University functions reliant on technology for their operations and objectives.

**Duties and Responsibilities:**

- IT Service Team Management
- Process and Project Management
- Consultation
- Operational Assessment

**About UBIT:** It is a great time to join **UB Information Technology (UBIT)**! Our staff are highly skilled and motivated to succeed and have cutting-edge training and technical resources at their disposal. For more information about UBIT visit our [website](#). All duties and responsibilities occur in a 24x7 environment, necessitating occasional extended hours, holidays, or varied hours.

**Outstanding Benefits:**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization. Learn more about our [benefit packages](#).

**About The University at Buffalo:**

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the [University at Buffalo](#).

*University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.*
