Job Description	

Position Summary

The [School of Management](#) at the University at Buffalo is looking to add a **Business Specialist** to our administrative operations team, focused on supporting business activities. We seek someone with excellent interpersonal skills and the ability to communicate effectively with personnel at all levels of the organization. Development of effective working relationships with groups inside the School as well as offices across campus is essential. Additionally, strong attention to detail, policy, process and procedure, and a working knowledge of general accounting principles are critical to the success of this role.

This position will provide a variety of business support functions to academic and administrative departments within the School of Management.
