Austin Community College is a public two-year institution that serves a diverse population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Reflects the diversity of our community
- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for under-represented populations
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Commitment to Equity and Inclusion

ACC is committed to the ongoing systemic changes needed to ensure the increased recruitment, inclusion, retention, and completion of historically underserved and underrepresented populations. Through continual strategic community engagement and professional development of administrators, faculty, staff, and students, the college demonstrates its dedication to fostering a culture and climate for equitable outcomes.

ACC is proud to serve a diverse student body as an open-access and low-cost institution. Dedicated faculty members are excellent professors who help students achieve their educational goals and are sensitive to our students' diverse cultures and socio-economic backgrounds. In 2017 our faculty adopted a Statement of ACC Faculty Values. This Statement affirms that ACC's faculty members value collaboration, service, agency, scholarship, inclusion, and teaching, all of which attest to our commitment to equity, diversity, and inclusion at the heart of our mission.

To supervise the staff and operations of the advising office on a campus within Austin Community College (ACC) and to facilitate the guided pathways model.

Job Description:

Description of Duties and Tasks

- 1) Supervises, trains, coaches, directs, coordinates, and disciplines personnel while adhering to organizational human resource policies and procedures as well as related employment laws. Recommends hire and termination personnel actions for positions supervised.
- 2) Coordinates and supervises the operations and staff of the advising office and related off-site advising activities including supervising office personnel and monitoring caseload interventions to ensure that employees are maintaining their work schedule, completing assignments and tasks, effectively advising students, and providing exemplary customer service.
- 3) Promotes and leads the development and implementation of advising policies and procedures for assigned staff and interprets application of those policies and procedures assuring consistency in implementation; develops, maintains, and disseminates advising materials and manuals.
- 4) Collaborates with faculty to focus on the development and enhancement of AOS information sessions and advising processes; collaborates with related faculty coordinators to prepare updates and reports on attendance/participation of students at pathway program events; and collaborates with regional retention and intervention managers to review success metrics and identify action items to improve successful implementation of strategies and objectives.
- 5) Serves as a liaison among advisors, counselors, faculty, and administrators to ensure ongoing implementation and assessment of guided pathways advising including but not limited to investigating common transfer paths, supporting internships and employment possibilities, interfacing with department chairs, kick-off events, engaging student life activities, career/transfer events, and the development/implementation/assessment of the student early alert system.
- 6) Provides training and updates to staff members regarding advising policies and procedures and professional development opportunities for guided pathways, cultural competencies, and other related areas; maintains ongoing contact with assigned advisors in each Area of Study (AOS) to ensure dissemination of current academic program maps and other related information is current.
- 7) Assures data integrity, analyzes data, and produces reports for related advising systems as needed.
- 8) Performs academic advising as needed.
