UB Facilities Operations has an exciting opportunity for a HVAC BAS Engineer. This position will provide technical oversight of the campus building automation system (BAS).

Key Responsibilities include:

Programming (the University will provide BAS program training for this position): Function as the departments lead programmer for the Siemens and Schneider Electric BAS by:

- Supporting the HVAC control staff in troubleshooting BAS problems
- Monitoring control systems and sequences
- Implement corrective actions
- Establish or modify operational schedules and control sequences while maximizing energy efficiency
- Review, correct, clean-up, and optimize programming as needed
- Energy Management: Through the BAS, reduce energy consumption and improve energy efficiency in order to lower energy costs and reduce the building's environmental impact.
 - Track how much energy is being used in the building and identify areas where energy is being wasted.
 - Projects: Manage planning, scheduling, purchase orders, contractors and execution of small projects related to the BAS.
- Design support:
 - Perform field review of existing conditions, building plans, and manuals
 - Meet with the design engineers and control system contractors during construction or renovation, or new construction planning
 - Provide subject matter expertise and engage in technical level meetings and discussions with the other units on campus and engineering staff
- Monitor fitness and life-cycle of BAS controllers and equipment
- Identify inefficient operation of various HVAC systems
- Coordinate and schedule BAS controller and system upgrades with UB-IT and users
- This position may require the management of the daily responsibilities of an Energy Systems Manager 1

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy and safe work environment with a commitment to diversity, equity and inclusion.
