Job Description

POSITION HIGHLIGHTS:

The position of Human Resources Analyst is utilized as a generalist in the Human Resources Department and may be assigned to either faculty or classified support roles. This particular position will be assigned to faculty support. If you are interested in this position you will need to be able to develop collegial working relationships with faculty and administrators from across the District. Attention to detail will also be important; if hired you would issue faculty contracts, provide recommendations on starting salaries, set up new employee electronic records, conduct or participate in new hire orientations, and provide support to department chairs, Deans, and others in terms of collective bargaining agreement interpretation for two faculty units (and other duties too, this is not an exhaustive list). You may also be involved in employee relations activities, such as conducting investigations and reviewing related documents. We expect that there will be a learning curve for the successful candidate to learn the aspects of the job (some of which may take place on an annual basis), and we have internal resources to support you as you learn this position. If you are ready to
